Product description

Reintroduced in a new and modern design, the new MAG 3 intregrates work light and flashlight functionality in one. The latest high performance COB LED technology provides a much greater light output that the first generation MAG 3 does.

The three strong built-in magnetic holders and the two retractable suspension hooks enable complete flexibility - efficient for all workshop operations.

Moreover, the flexibility of the lamp head allows tilting up to 180 degrees.

With improved light output in both spotlight and mainlight, and USB charging, the redesigned MAG 3 work light offers great value in every working operation.

// The design of the MAG 3 is unique and covered by EU design patent RCD No 2954123.

Specifications

- Light source COB LED / Spot: High power LED
- Illuminance 500 lux@0.5m / Spot: 1500 lux@0.5m
- LUMINOUS FLUX 250 lm / Spot: 150 lm
- Operating time 3h / Spot: 3h
- Charging time 4h
- Operating voltage 100-240V / 50-60Hz
- Battery 3.7V / 2200 mAh Li-ion
- INGRESS PROTECTION IP20
- Net weight 270g
- Temperature -10° to +40°C
- Dimensions 270 x 62 x 41 mm
