### Product description

UV-LIGHT - Flexible, rechargeable LED hand-held work light designed for curing

Easy to carry in the work belt, the UV-LIGHT is designed for small and medium cure areas.

Supplied with a turnable sturdy hook and strong built-in magnet, the hand-held work light makes flexible positioning a breeze. The shape provides a comfortable, ergonomic grip. Solvent resistant and born with exchangeable glass lens.

An intelligent battery indicator keeps you informed about the battery level. Supplied with a charging base.

Curing area: ø10 cm

#### Compatibility

SCANGRIP specialized LED work lights for UV CURING has been tested and proven successfully on leading brands of UV-cured products
