## Product description

PCSm - 40 pressure gauge pressure gauge - for Diesel engines.
Measurements are indicated on the pressure gauge which is connected to the Diesel Engine Mounting Adapter.
Equipped with 2 adapters 2S and 8S

Compression measurements can be made through the glow plug hole or through the injector hole in diesel engines.
Measurement is made with original injector luminaires or additional adapters replacing injector luminaires.
We offer over 100 different types of adapters that you can buy separately or in sets.
