Product description

Compressor pressure gauge for gasoline engines (range: 17.5 bar) with measurement records and connections to quick couplings.

Models:
All models - after using the appropriate adapter.

Application:
The kit includes 11 screw adapters in place of the spark plugs: M10 x 1, M12 x 1.25, M14 x 1.25 and M18 x 1.5 with different lengths. The kit also includes a rigid universal extension cushion with replaceable rubber cones and a flexible hose with threaded end M14 x 1.25 for use in inaccessible spark plug sockets.

Package: metal case
