Removing broken glow plugs near Nowy Sącz - Łabowa 256A - Lesser Poland - Tesam

Product description

Our company deals with removing baked, broken, damaged, to replace, broken glow plugs.

We have 100% efficiency in removing them, without damaging the heads.

Everything is made on the car without removing the head. (there are cases that will need to be removed, but this is sporadic)

We have specialized equipment so that the customer can be sure of the correctness of the replacement, in accordance with the technology of the car manufacturer.

We replace all glow plugs in a few hours.

The price of replacing such a candle depends on the degree of baking and the work that will have to be put into its replacement.
