### Product description

Service hub / bearing press puller (bearing hub)

Removal and installation of the hub / bearing (bearing hub) is carried out on the car without removing the ABS sensor  
The puller is also used to dismantle classic wheel hubs and is powered by a hand hydraulic pump.

#### Application:

Front and rear axle:  
VW T5, T6

#### Front axle:

VW Polo, Seat Ibiza, Skoda Fabia - also after the modification of the crossover

#### Double row bearings:

e.g. VW T4
