Product description

NOTE !!!!!!!!!!
Transport truck allowed only after closing the drawer key.

Service hydraulic puller to pull seized and clipped injectors.
Removing the injector followed by a single or double exhaust mount adapters for the injector.
Use of the hydraulic drive and adapters allows the drawing of the injector according to the geometric axis of the trajectory.
The product is packed in a metal trolley on wheels, equipped with 8 drawers.
Drawers lock feature to prevent ejection of several drawers simultaneously.
Refills drawers made of foam.
Each tool has assigned a place in a drawer.
With this solution, there is law and order in the workplace.
