Product description

WARNING !!!!!!!!!!
Transport truck allowed only after closing the drawer key.

Service Newspapers - Puller hydraulic and manual-pressing and ironing of the pin rocker arm without disassembling the car.
Pulling the pin arm followed by appropriate mounting adapters to exhaust rocker pin.
The use of hydraulic drive and adapter allows drawing pin arm in its geometrical axis in accordance with the trajectory.
The product is packed in a metal trolley on wheels, equipped with 8 drawers.
Drawers equipped with interlock systems to prevent ejection of several drawers simultaneously.
Drawer cartridges made of foam.
Each tool is assigned a place in a drawer.
With this solution, there is law and order in the workplace.
